Hello,

I am glad to share the news that Ohio Rocks! won a bronze Telly Award. Here is a quote from the the Telly Awards explaining what they are: *Telly Awards are given to local, regional and cable television programs, film productions and Web productions. Telly Awards are judged against a high standard of merit by top professionals in the fields of production and advertising. The 29th Annual Telly Awards received over 14,000 entries from all 50 states and 5 continents.*

We are very proud of this and want to thank you again for your hard work on the lesson writing for this project.

Krystal
